12 --> If the Yucca Mountain Repository becomes a fact, a done deal, and I suspect it will, it should come with a COMPREHENSIVE and ALL INCLUSIVE FREE HEALTH system/package that covers ALL health issues, (preventive health, existing health issues, minimal to extremely serious health issues, emergency issues, long-term health issues, vision, hearing, dental, ingrown toenails, just plain 'EVERYTHING') for ALL of the people living in Nevada (and I do mean every one of us, including children, newborns, seniors, homeless, ALL ages, ALL races, ALL cultures, ALL people born here, ALL people NOT born here, EVERY SINGLE PERSON WHO LIVES AND BREATHES IN NEVADA) and this should be in perpetuity, much as are the materials which are to be stored in Yucca Mountain.]
